SPAN 101

Elementary Spanish for Healthcare Professionals I

Are you interested in Spanish-language classes for healthcare professionals?

Elementary Spanish for Healthcare I (SPAN 101) is an introductory course designed to help future healthcare providers interested in serving Hispanic communities.

It is a first step to increase your ability to communicate in Spanish in a healthcare setting.

This skill building course is a great new addition for your health career path, and a great investment in your professional future.

Spanish proficiency is a skill highly valued by employers, healthcare academic units, and Spanish-speaking patients!

SPAN 101 for Healthcare

- ▶ 4 units of credit
- ▶ Accepted for partial fulfillment of language requirement
- ▶ First semester of a two-semester sequence

Offered: Fall semester 2017

Schedule: Tue and Thu, 5:00 to 6:30 pm in Drachman B111

Registration:

 If interested, please email:

Yadira Berigan: berigans@email.arizona.edu

Nichole Guard: nichole1@email.arizona.edu

Thank you very much! ¡Muchas gracias!

SPAN 101 is the first of a two-course sequence to help build a strong foundation of basic oral proficiency in Spanish. Spanish 101-201 are catered to undergraduate pre-health students as well as students enrolled at the UA College of Medicine, College of Pharmacy, College of Nursing, and the Mel and Enid Zuckerman College of Public.

A collaboration of the
UAHS Hispanic Center
of Excellence

and
